

# **Heritage Fair Projects (8M, 8C, and 8F)**

- Create a presentation- it should be 3-5 minutes to present. Be sure you know your topic well enough to answer questions about it.
- Visual appeal- colorful. Use pictures and diagrams where appropriate. Neatly arranged. Logically organized.
- Title- at top of the board and subtitles where appropriate.
- Technology allowed (encouraged). A PowerPoint or other technical support may be used but cannot be used instead of a tri-fold board.
- Be sure to clearly label at the bottom or back of the board your name and the name of a partner if you had one for this.
- Due February 14 2011 (whether your class has social studies or not.)

## **Theme: Forestry (this year the theme is Forestry)**
