

DLMS Girls Softball Schedule 2024

We are very excited to announce that ASD-N will be having a brief Girls Softball League to finish up our school year and introduce students to this amazing game. Any ladies that are interested in trying out for the Dr. Losier team are invited to the Golden Hawk Ball Field (beside the Tim Hortons on the base) from 4:30 to 6:00PM on Monday. I know this is short notice, but we would like to be able to field a team for the following day.

We are fortunate to have found three coaches: Angela Carter, Lindsay Woods, and Robbi Grantmyre. Students are asked to bring a water bottle and glove. One of the main things our coaches will be looking for is a commitment to make games and practices. I have included the season schedule that pertains to DLMS below, so that students are aware of the expectation. If you have any questions or concerns feel free to email Mr. McCallum in the PE office.
