

MIDDLE SCHOOL VOLLEYBALL CLINIC

MAY 6TH DLMS AT 4-7

Get ready to spike your skills this summer at our Middle School Volleyball Clinic! Open to the first 40 young athletes—**girls and boys**—who sign up, this clinic is your chance to learn from the best, improve your game, and have a ton of fun while you're at it.

Our head coach, Ryan Dickson, brings a wealth of experience and accolades. As a star outside hitter for the Durham Volleyball Team, Ryan has clinched the BUCS Volleyball National Championship, the National Volleyball League SuperLeague Cup, and the National Volleyball League SuperLeague National Championship. Additionally, he's a crucial member of Team Durham's Beach Volleyball team and ranks in the top 3 for serve receiving in the NVL Super League. He was also part of the first men's team ever to win all four major national volleyball championships for Durham University in England.

Joining Ryan is the esteemed Coach Carla Dickson, a celebrated figure in the volleyball community and an inductee into both the Miramichi Sports Hall of Fame and the New Brunswick Volleyball Hall of Fame. Her expertise and seasoned approach to coaching will provide invaluable insights and instruction throughout the camp.

This exclusive, one-day only event will be held on Monday May 6th and is priced at just \$40 per participant. Sessions will focus on all aspects of the game, including serving, passing, setting, attacking, and defense, ensuring comprehensive skill development in a supportive and dynamic environment. We will have a waiting list and if there is a need for another night we will try to organize another night that week as well.

Don't miss out on this incredible opportunity to train, grow, and succeed. Sign up today and set yourself up for a smashing volleyball season! Click the link below to secure your spot!
