

DLMS PowerPlay Product Catalogue for 7/8S

Welcome to our online Powerplay catalogue!

To place an order, please follow these instructions:

- Each product will be identified by a student's ID code. This will be the product code that you must enter on our order form. (ex: zacmar1234)
- If a student has a variety of products, they will be differentiated by a letter that you must add at the end of the product code so that the buyer can choose and receive the correct product. (ex: zacmar1234-A)
- Most products will only have a limited supply and it will be first come first serve. Therefore, we will communicate with you if the desired product has been sold or sold out entirely.
- Please fill out the order form correctly and place the exact money into a Ziploc bag.
- Sales of products will be from April 7th to April 12th.
- Wednesday, April 14th- April 21st: Students will produce orders/bring orders to school. Orders can be sent home with students. For orders outside of our students' homes, a pick up date at the school will be arranged the week of April 21st (after school).
