

2015 OPERATION CHRISTMAS SHOE BOX CAMPAIGN is GOOD TO GO...

NBCC is partnering with businesses throughout the Miramichi community and surrounding areas throughout New Brunswick to run this year's "Operation Shoe Box Campaign" and will be seeking people to join in on the excitement. For those interested in joining in on the fun, here are the guidelines. Let's make a Canadian Military Member (Army, Navy, Air Force) deployed over the Christmas holidays feel appreciated. If interested, please contact Brenda Daigle at (506)778-6138 for more details.

RED FRIDAY PICTURE – This year's **Red Friday** picture is on **October 23 at NBCC Miramichi gym at 12:30 pm** sharp!!! We invite and encourage EVERYONE to participate: teachers and their students, veterans, legion members, NBCC students and staff, and people from our community in general. Listen for an announcement on your local radio stations (99.3 The River).

SHOE BOXES: We ask that you wrap a shoe box and the lid separately, so a team of helpers can inspect the items for security measures – meaning, even wrapped, inspectors can still open the box to see what's inside. All shoe boxes must be wrapped prior to dropping off at the college (NBCC). Deadline is **November 6th at NBCC Main Campus**. The Red Friday community picture will then be taped on the outside of the already wrapped shoe boxes.

Please cut the list out, check off included items, & place loosely (not taped please) inside the box:
