Content and Accuracy	Excellent! You answered all the questions about your animal and the info is very accurate.	Very Good! You answered most of the questions and your info is credible.	O.K. You have some of the questions answered, your info is questionable.	Not great. Where is your info or what sources did you use?	
Effort and Creativity	Fantastic! Your creative project looks great, what a great idea!!	Well Done! You obviously put some effort into your work.	Alright. I know you can be more creative than that!	Please try harder next time.	
Spelling and neatness	Wow! Looking great! Spelling and Grammar flawless :)	Very neat and almost no mistakes on spelling and grammar!	Neatness always makes everything better so please work on it. Watch your spelling and use punctuation.	Not easy to read, many corrections needed.
