

**DR. LOSIER MIDDLE SCHOOL**  
HOME OF THE KNIGHTS EST. 1983

September 13, 2021

Good afternoon, DLMS families.

This message is to inform you that Public Health will be hosting COVID-19 vaccination clinics in our Miramichi schools for those born in 2009 or earlier. Students will be invited to attend for either their first or second dose. These upcoming clinics will be held in the month of October.

Additional information will be sent out to families closer to the clinic dates. We simply wanted to make you aware that this opportunity will be provided to our students.

Thank you,

A handwritten signature in black ink, appearing to read "Judson Wayne". The signature is fluid and cursive, with a long horizontal stroke at the end.

Judson Wayne

Principal, Dr. Losier Middle School
