**Dr. Losier Middle School has a “closed campus” policy for lunchtime. Students are not permitted to leave school grounds at lunch without a parent. Should a parent wish to pick their child up at lunch, please do so. We thank you for your cooperation.**

#### ATTENDANCE

According to District regulation #302, “Regular attendance is mandatory for all students enrolled in public schools. Attendance and absenteeism will be monitored, and regulated to ensure everyone may be guaranteed the same opportunities for a productive future.

On the occasion of each absence, it is the responsibility of the student to present, in writing, a written excuse from his/her parent or guardian. Please present this excuse to the homeroom teacher. Regular attendance at school is essential for student success. We encourage all students to aim for exceptional attendance!
